Dear IRCC Golf Sponsor:

For the past 23 years, the IRCC has hosted what has become renowned as the best tournament and party in the industry. This year, and in spite of the tough economic cycle we're all dealing with, we're again looking forward to a great tournament for our contracting membership and associates: We've scaled down the foursome cost in adjusting to the times, and we've added some creative sponsorship options for our loyal associates and vendors so that you can put your name and product out there — in supporting this day to kick back and enjoy a round of fun, and a tremendous event with your clients:
